

# We want to be the ultimate choice for your business solutions...

## The Focus

As an AT&T Solution Provider, we are independent, value-added network consultants who are trained and authorized to sell AT&T's world-class business communications services. Satisfaction is the goal and we want to make sure that we address and accommodate all of your telecommunication needs.

## Concentrate On Your Customers – And We'll Concentrate On You

We're dedicated to finding you the most cost-effective medium that is best for your business. Here is a list of products and services from AT&T's business portfolio that will offer you distinguished telecommunication technology and customer service:

### Internet Protocol (IP) Services

VPN/EVPN • VOIP • Voice DNA • MPLS/PNT

### Data Services

Asynchronous Transfer Mode (ATM) • Optical Services • High Speed Internet • Private Lines

### Voice/Long Distance Services

Access Lines • Centrex/Plexar • ABN Long Distance • Connections • High Volume Calling Plans

### Web Hosting Services

Enterprise Hosting Services • Secure Email Gateway • Remote Vault

### Wireless Plans

Voice • Data • Laptop Cards • AT&T Unity Plans

## The AT&T Solution Provider Advantage

In addition to our telecommunications knowledge and experience, we have access to continuous best in class sales support and educational programs in key AT&T services, including MIS, IP/VPN, Frame Relay, ATM, Mobility, Hosting, voice and data services.

As a Solution Provider, we provide a personalized level of service that is often missing in these days of automated customer service and online ordering. As a growing business, we already anticipate your concerns and desires. In many ways, we mirror you. We strive to get to know you and your business; this enables us to tailor solutions to your exact requirements. We offer customization at its very best!

## Let Us Deliver...

The reliability and performance of AT&T's service offerings combined with the expertise and support of an AT&T Solution Provider represents a powerful communications resource for large and small businesses alike.
